The idea behind the design of the Solo Collection is to show tradition in a simple, modern form. Not just the uncluttered style, but also the ergonomics and durability determine the philosophy of the new VITEO product line. The carefully selected material is also in keeping with the environmental awareness of our time. Solo is manufactured entirely from Austrian "Thermo Ash". The product portfolio ranges from benches and tables of different sizes to the slightly lower Solo Easy Chair or the modular parts of the Solo Sofas.

Das Design der Solo Kollektion basiert auf der Idee, Tradition in einer schlichten modernen Form zu zeigen. Neben der Klarheit der Formensprache bestimmen Ergonomie und Haltbarkeit die Philosophie der neuen VITEO Produktlinie. Auch die sorgsame Materialauswahl entspricht dem Umweltbewusstsein unserer Zeit: Solo wird komplett aus österreichischer Thermoeshche gefertigt. Das Produktportfolio reicht von Bänken und Tischen in verschiedensten Maßen bis zum etwas niedrigeren Solo Easy Chair oder den modularen Teilen des Solo Sofas.
